

Caucus of Gay Public Health Workers

In Official Relations with
the American Public Health Association

September 1984

From the Editor:

Dear Member or Prospective Member (whose name was submitted by a member)-

We hope you enjoy this newsletter issue which features our coming November activities in Anaheim. If you cannot be with us and would like to be involved in planning for the 11/85 Washington, DC Annual meeting; then please contact in advance of this meeting our caucus chairperson, Dr. Ron Sable, 3719 N. Magnolia Chicago, IL 60613 (312/929-4439).

There is limited private housing available for discrete gays and lesbians in conservative Orange County near to Anaheim. Contact our Meeting Program Chair Dr. Jere Kelly, 4421 - 19 St., San Francisco, CA 94114 (415/863-8443).

You will also find a copy of our statement of purpose, excerpt of the 1975 APHA resolution on homosexuality and most importantly a membership application/renewal form. We need some cash flow now for deposits on the APHA booth and our hospitality suite.

Feel free to photocopy any material and pass it on to interested friends and organizations, or you may submit names for our confidential mailing list. Hope to see you in Anaheim-

Healthfully,

112th Annual Meeting - Anaheim Convention Center - November 11 - 15, 1984

"Shaping the Nation's Health Agenda" is the theme for this year's convention which has drawn in past years upwards of 6,000 attendees. The Caucus' activities are listed on following pages. As there are expected to be minor changes, be sure to pick up a corrected listing at either the hospitality suite at the Jolly Roger Inn or the booth during exhibit hours. We are still looking for a place to have the fundraising dinner; offer your suggestions to Jere as listed above. APHA President-elect, Dr. Vic Seidel has asked to address the caucus business meeting; also on the agenda will be planning for next year's meeting and selecting new leadership. Be sure to attend or express your concerns in advance to our current leaders. The Social Hour on Monday night will have many local lesbian and gay health workers and friends attending, it should prove to be a great mixer!
